SANTA BARBARA'S WINDOW ON THE WORLD

SUMMER 2011

It seems that our 65th anniversary has catapulted the CCC into its prime! Members and guests are giving rave reviews to our Programs this year. (Please see list of speakers included). We will continue with a lineup of top speakers you won't want to miss.

On June 6th we greeted **Sebastian Junger**, the popular journalist, editor and author who spoke of his experiences in Afghanistan as an embedded reporter. On June 21st we were honored with the presence of **Lieutenant General Susan Helms**, Commander of the 14th Air Force at Vandenberg Air Force Base and recently inducted into the U.S. Astronaut Hall of Fame. Both these events garnered standing ovations, besides attracting military guests from three counties. Not since leaving Elmendorf AF Base in 1968 have I felt surrounded by so many of America's heroes. Watch for the announcement about our New Membership opportunity coming soon!
